

Grant Application Details

The River Falls Community Foundation (RFCF) was established to enhance the quality of life in the River Falls area by partnering with individuals to nurture quality living through generous giving. The RFCF accomplishes its mission by:

- building a community of donors
- offering donors simplicity and flexibility in charitable giving
- supporting projects that stimulate the further development of our community's quality of life.

Grants to nonprofit organizations within this community are one way that the River Falls Community Foundation reinvests in this community we call home. Grants support projects that have broad community support and/or impact.

As we continue to build the asset base of the RFCF in order to provide additional grants to our community, please include the RFCF in your personal annual charitable giving budget, designating the RFCF as a recipient for memorial and honorarium gifts, and telling others about the RFCF. Board members would be happy to visit with you or other persons interested in learning more about the RFCF and how it can assist in accomplishing charitable goals. (The RFCF is an affiliate of the St. Croix Valley Community Foundation, a 501(c)(3) organization. As such, all donations to the RFCF are tax deductible and restricted to use in the River Falls area.)
